Tasting Notes:

The aroma of this wine shows a rich expression of ripe, dark fruit which are characteristic of the almost perfect growing conditions of the 2006 season. These dark black fruits steamroll through onto a palate, showing exceptional length, richness and beautiful balance. Layers of fine-grained tannins reign in the finish and provide a powerful core that will carry this wine for years. Drink 2009 through 2011.

Bottling Date: Bottled unfiltered and unfined on May 1st, 2008

Cases Produced: 1,598

Vintage Notes/Winemaking:

The grapes for this wine were harvested on the 4th of November, 2006 from Burrowing Owl Vineyards in Oliver. The grapes were de-stemmed, crushed, and inoculated with our preferred yeast strains. The wine was allowed to remain on skins for an average of 20 days prior to pressing off. The wine was aged in oak barrels (25% new, mainly French) with periodic rackings.

Cellaring: Drink 2009 through 2011.

Analysis:

Alcohol: 14.5%
Sweetness Code: 0
pH: 3.75
Titratable Acidity: 6.88 g/L
Residual Sugar: 3.0 g/L
